Mrs. Frances N. Hall,
23 Nichol Avenue,
New Brunswick, N.J.

Dear Mrs. Hall:

We are anxious to ascertain if you still have the telephone toll slips, which are usually annexed to the monthly bills, covering the month of September, 1922. This information we shall need in an effort to show that there were no calls to Lavalette during the period mentioned.

With kind personal regards, I am,

Sincerely yours,
